

Dear Teng Zhang,

ICIRA2022 is going to be held in Wanda Vista Harbin, Harbin, China, on August 1-3. You are welcome to Harbin for taking part in this great international academic event.

The conference will be hosted by Harbin Institute of Technology, co-organized by Huazhong University of Science and Technology, Chinese Academy of Sciences, Shanghai Jiao Tong University, State Key Laboratory of Robotics and System, State Key Lab of MSV, State Key Laboratory of Digital Manufacturing Equipment and Technology, Shenyang Institute of Automation, and Chinese Academy of Sciences.

The conference covers plenary talks, keynote speeches, special invitation reports and posters. This conference aims to promote the development of global robotics technology and applications. The conference will invite international experts in robotics and application fields to give plenary talks and keynote speeches.

For more information, please refer to the official homepage: icira2022.org

We are more than happy to assist you in any way possible as you plan your trip to Harbin. Please do not hesitate to contact us with any questions at our secretariat at info@icira2022.org. We are looking forward to seeing you in ICIRA2022 Harbin.

Thank you for your interest and participation in ICIRA2022.

Yours sincerely,

**Prof. Honghai Liu
General Chair
ICIRA2022**
